

# Index to 1984 volume

## Authors and titles

- Adamson, J. K. Land classification as a basis for stratified soil survey: a study in Cumbria 309-320
- Allocation of rights to public forests in Tasmania: a geographical critique (Wood, L. J. and Kirkpatrick, J. B.) 215-234
- Archibold, O. W. and Thompson, S. Natural seed input as a factor in the reclamation of limestone quarry wastes at Marulan, NSW, Australia 201-214
- Arnell, N. W., Clark, M. J. and Gurnell, A. M. Flood insurance and extreme events: the role of crisis in prompting British institutional response to flood hazard 167-181
- Avalanche prediction in Scotland: I. A survey of avalanche activity (Ward, R. G. W.) 91-108; II. Development of a predictive model (Ward, R. G. W.) 109-133
- Baba, J. M. *see* Salau, A. T.
- Clark, M. J. *see* Arnell, N. W. *et al.*
- Comments from the outside: the Sixth Annual Applied Geography Conference (Kenzer, M. S.) 85-86
- Cunningham, C. J. Recurring natural fire hazards: a case study of the Blue Mountains, NSW, Australia 5-27
- Cutter, Susan L. Emergency preparedness and planning for nuclear power plant accidents 235-245
- Delineating regions for transit assistance allocation: a geographical approach (Stern, E.) 267-281
- Emergency preparedness and planning for nuclear power plant accidents (Cutter, S. L.) 235-245
- Evaluating the quality of the residential environment in a high-rise public housing development (Pacione, M.) 59-70
- Flood insurance and extreme events: the role of crisis in prompting changes in the British institutional response to flood hazard (Arnell, N. W. *et al.*) 167-181
- Grafton, D. J. Small-scale growth centres in remote rural regions: the case of Alpine Switzerland 29-46
- Gurnell, A. M. *see* Arnell, N. W. *et al.*
- Impact of different surface sources of pollution on the quality of groundwater in Madurai, India (Mahadevan, A. and Krishnaswamy, S.) 247-254
- Indonesia's energy transitions (Ooi Jin Bee) 187-200
- Kenzer, M. S. Comments from the outside: the Sixth Applied Geography Conference 85-86
- Kipnis, B. A. Minority perceptions of housing needs and the planning of a housing aid policy: the urbanizing Arab village in Israel 135-149
- Kirkpatrick, J. B. *see* Wood, L. J.
- Krishnaswamy, S. *see* Mahadevan, A.
- Land classification as a basis for stratified soil survey: a study in Cumbria (Adamson, J. K.) 309-320
- Mahadevan, A. and Krishnaswamy, S. Impact of different surface sources of pollution on the quality of groundwater in Madurai, India 247-254
- Mapping forest biomass in India through aerial photographs and nondestructive field sampling (Tiware, A. K. and Singh, J. S.) 151-165
- Margules, C. R. Vegetation inventory for conservation evaluation: a case study from the North York Moors, England 293-307
- Minority perceptions of housing needs and the planning of a housing aid policy: the urbanizing Arab village in Israel (Kipnis, B. A.) 135-149
- Multiple deprivation in cities: the case of Ilorin, Nigeria (Oyebanji, J. O.) 71-80
- Natural seed input as a factor in the reclamation of limestone quarry wastes at Marulan, NSW, Australia (Archibold, O. W. and Thompson, S.) 201-214
- Odemerho, F. O. Role of urban surface characteristics in the extent of gully erosion in Auchi, Bendel State, Nigeria 333-344
- Olofin, E. A. Some effects of the Tiga dam on valley-side erosion in downstream reaches of the River Kano 321-332
- Ooi Jin Bee. Indonesia's energy transitions 187-200
- Oyebanji, J. O. Multiple deprivation in

- cities: the case of Ilorin, Nigeria 71-80
- Pacione, M. Evaluating the quality of the residential environment in a high-rise public housing development 59-70
- Predicting USSR wheat production (Tarrant, J. R.) 47-57
- Recurring natural fire hazards: a case study of the Blue Mountains, NSW, Australia (Cunningham, C. J.) 5-27
- Role of urban surface characteristics on the extent of gully in Auchi, Bendel State, Nigeria (Odemerho, F. O.) 333-344
- Salau, A. T. and Baba, J. M. Spatial impact of the relocation of a section of the Zaria-Kano road: a study of change and development in rural Zaria 283-292
- Singh, J. S. *see* Tiwari, A. K.
- Small-scale growth centres in remote rural regions: the case of Alpine Switzerland (Grafton, D. J.) 29-46
- Some effects of the Tiga dam on valley-side erosion in downstream reaches of the River Kano (Olofin, E. A.) 321-332
- Spatial impact of the relocation of a section of the Zaria-Kano road: a study of change and development in rural Zaria (Salau, A. T. and Baba, J. M.) 283-292
- Stern, E. Delineating regions for transit assistance allocation: a geographical approach 267-281
- Tarrant, J. R. Predicting USSR wheat production 47-57
- Thompson, S. *see* Archibold, O. W.
- Tiwari, A. K. and Singh, J. S. Mapping forest biomass in India through aerial photographs and nondestructive field sampling 151-165
- Vegetation inventory for conservation evaluation: a case study from the North York Moors, England (Margules, C. R.) 293-307
- Ward, R. G. W. Avalanche prediction in Scotland: I. A survey of avalanche activity 91-108; II. Development of a predictive model 109-133
- Wood, L. J. and Kirkpatrick, J. B. Allocation of rights to public forests in Tasmania: a geographical critique 215-234
- Books reviewed**
- Asada, T. (ed.) *Earthquake prediction techniques: their application in Japan* (Peter L. K. Knuepfer) 183
- Caulfield, C. *Tropical moist forests* (T. C. Whitmore) 81-82
- Clark, D. *Urban geography* (Blair Badcock) 83-84
- Cooke, P. *Theories of planning and spatial development* (Ray Hudson) 261
- Cooke, R. U., Brunsden, D., Doornkamp, J. C. and Jones, D. K. C. *Urban geomorphology in drylands* (Victor R. Baker) 82-83
- Davidson, R. N. *Crime and environment* (J. C. Alderson) 81
- Dawson, J. A. *Shopping centre development* (R. L. Davies) 183-184
- Douglas, I. *The urban environment* (Chris Park) 258-259
- Glyptis, S. (ed.) *Prospects for leisure and work* (Lesley A. France) 255-257
- Halsall, D. A. (ed.) *Transport for recreation* (Lesley A. France) 255-257
- Healey, M. J. (ed.) *Urban and regional industrial research: the changing UK data base* (Colin Mason) 261-2
- Herbert, D. T. and Johnston, R. J. (eds) *Geography and the urban environment: progress in research and applications, Vol. 5* (Blair Badcock) 83-84
- Herbert, D. T. and Thomas, C. J. *Urban geography: a first approach* (Blair Badcock) 83-84
- Johnston, R. J. *Geography and the state: an essay in political geography* (Mark Wise) 345
- Mitchell, B. and Draper, D. *Relevance and ethics in geography* (David M. Smith) 259
- O'Connor, A. *The African city* (D. Scott) 259-261
